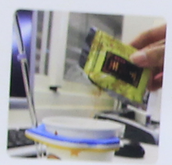
Concept of design

On the OL's messy business desk, there must be a place for a paper cup. In order to solve the problem of cup placing, we combine the cup holder with the stirrer for it to be hung on the shelf to save the space on our business desk.

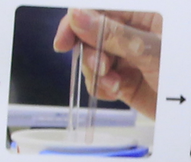
Features of design

1. Usable for cold and hot drinks.
2. Suitable for paper cups of different sizes
3. The stirrer with the cup shelf can be hung on the book shelf of different thickness
4. The handle of cup holder is made of friction material that avoids the slipping of the cup from the user.

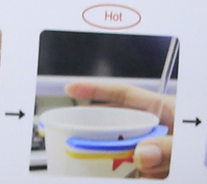
Operating procedures



Use an instant coffee bag



Use the attached stirrer to stir the coffee



Pour into boiling water

Enjoy your coffee
