教學綱要

一、教學目 標(Objective) This course assumes that students are able to use basic English to make themselves understand and can understand the English around them. Students in this class need to work on some basic areas of the language. It will provide reinforcement to help English learners feel comfortable and confident about their language abilities.

二、先修科目(Pre Course)

三、教材內 容(Outline) The course is designed for adult learners of American English who are looking to improve their English ability in reading and writing. Listening and speaking skills will be trained as well in the course.

四、教學方 式(Teaching Method) This course assumes that students are able to use basic English to make themselves understand and can understand the English around them. Students in this class need to work on some basic areas of the language. It will provide reinforcement to help English learners feel comfortable and confident about their language abilities.
