### 教學綱要

- 一、教學目標(Objective)
- 1.to introduce the different views toward death. 2.to examine the ritual of death cultures and their meanings 3.to be aware that death is a part of life so that students can be a position to help the sick face the impending death.
- 二、先修科目(Pre Course)
- 三、教材內容(Outline)
- The phenomenon of death is a mystery. Why should a person die if s/he is given the life to live? Yet heath is a fact which no body can escape. There are rituals of death to ensure that death never becomes a curse to the survival in every culture. As human knowledge advances to a new stage, humankind realizes that death is a phenomenon which needs no deploration. This course intends to discuss the meaning of life so that the meaning of death can be obtained.
