教學綱要

一、教學目標 (Objective)

The main goal for this course is to introduce students different English teaching techniques. The second goal is to help students uncover the thoughts that guide teachers. The third goal is to introduce students to a variety of resources, some of which will be new in this field. Although certain techniques may require further training, students are encouraged to practice some techniques.

二、先修科目 (Pre Course)

三、教材內容 (Outline)

Several demo-teaching workshops will be practiced in the classroom. And current English teaching issues will be discussed.

四、教學方式 (Teaching Method)

The main goal for this course is to introduce students different English teaching techniques. The second goal is to help students uncover the thoughts that guide teachers. The third goal is to introduce students to a variety of resources, some of which will be new in this field. Although certain techniques may require further training, students are encouraged to practice some techniques.
